

# Masks Obligation

on the entire premises (including buildings and on board of all ships)

Blohm+Voss

The mouth-nose cover may only be removed in the following situations:

- If you are alone at your office workplace (your own desk)
- If you are alone at your direct production workplace
- When showering, face washing and changing
- In the smoking areas
- At the coffee machines in the production areas
- In the meeting rooms, when the windows are open (compliance with maximum occupancy is still a basic requirement)

The exceptions only apply if the minimum distance of 1.5m can be maintained.
